

## MagView EHR 6.7 Disclosure Statement

**Capability:** Direct messaging functionality (including transitions of care, discharge summaries, and clinical messaging functionality).

[Relevant certification criteria: §§ 170.314(b)(1) and (2), h(1)-(3).]

### Description of feature:

This functionality allows users to send and receive Direct-based messages to/from other users of certified health IT systems. Direct messages may include clinical data, notes, and other information, subject to the limitations noted.

Our Direct offerings support related Meaningful Use and ONC requirements for sending and receiving transitions of care summary documents. We also support a range of other messaging options.

Our Direct capabilities include bundled Health Internet Service Provider (HISP) services for facilitating message exchange. However, see limitations and additional types of costs that may apply for these and other third-party HISPs.

### Types of Costs or Fees to be paid by a provider for the capability:

**Additional types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of:**

Annual licensing and subscription fee included in base service agreement.

**Limitations of a technical, technological or practical nature that a user may encounter that could:**

Messages archived on APPLIED SOFTWARE INC.'s hosted, HIPAA compliant, servers will be retrieved and furnished to the provider within 5 business days of a written request being received by APPLIED SOFTWARE INC..

Storage and archiving of Direct messages on APPLIED SOFTWARE INC.'s hosted, HIPAA-compliant servers is included with the annual licensing and subscription fee at no additional charge. Most of our customers rely exclusively on this service. APPLIED SOFTWARE INC. will make every effort to accommodate customer's additional needs or specific requirements, if any. Customers with special hosting or archiving needs should inquire about the availability of these services and should refer to the "Additional Types of Costs or Fees" that may apply.
